PROFILE INFO

To leverage my strong commitment to safety and vigilant observation skills as a Security Guard, ensuring the protection of assets and personnel. Dedicated to maintaining a secure environment through proactive surveillance and rapid response.

WORK EXPERIENCE

SECURITY GUARD SUPERVISOR

OCT 2019 - JAN 2024

CYBER IMPERIOUS SOLUTION PVT LTD, INDIA

- Team Leadership: Provide guidance and direction to security personnel, including training, scheduling, and performance management, to ensure adherence to protocols and standards.
- Security Oversight: Supervise security operations, including patrols, access control, and alarm monitoring, to maintain a safe and secure environment for employees, visitors, and assets.
- Emergency Response Coordination: Coordinate responses to emergencies, such as medical incidents, fire alarms, or security breaches, directing security staff and liaising with emergency services as necessary.
- Client Liaison: Serve as the primary point of contact for clients regarding security concerns and requests, maintaining positive relationships and addressing inquiries promptly and professionally.

SECURITY GUARD

SEP 2016 - OCT 2019

CYBER IMPERIOUS SOLUTION PVT LTD, INDIA

- Access Control: Enforce entry and exit procedures, verifying identification and credentials of individuals entering the premises, and restricting access to authorized personnel only.
- Emergency Response: Respond promptly to emergencies such as fire alarms, medical incidents, and security breaches, following established protocols to minimize risks and maintain order.
- Incident Reporting: Document incidents, disturbances, and violations of security policies in detailed reports, ensuring accurate record-keeping and facilitating follow-up investigations.
