---

## SUMMARY

Results-oriented Engineering Executive with a proven track record of optimizing project outcomes. Skilled in strategic project management and team leadership. Seeking a challenging executive role to leverage technical expertise and drive engineering excellence.

---

## WORK EXPERIENCE

### Foreman, Nadymstroygazdobycha ([nsgd.ru](#)) Sep 2023 - Present

- Currently working as a site foreman in the road construction department at the Copper Enrichment Plant No. 3 (AGMK MOF-3) located in the city of Almalyk, Tashkent Region, which is one of the largest projects in Uzbekistan. Continuously improving my skills.
- Contributing to successful project completion through my expertise in structural design and project management.

### Civil Engineer, CLIFF DIZAYN LLC March 2023 - Sep 2023

- In our project company, we achieved many accomplishments. I worked with many knowledgeable and qualified professionals. We designed and constructed public, industrial, and many residential buildings. I worked with a close-knit team in the architectural and construction department.

### Lead Specialist, ZAMIN DIZAYN LLC Jan 2023 – Aug 2023

- We achieved many accomplishments in project design and construction of various public, industrial, and residential buildings. I worked with a cohesive team in the architectural and construction department.
- 

## EDUCATION

### Construction, Urban Construction, and Economy Sep 2019 - Oct 2023

Namangan Engineering and Construction Institute

- Specialization in Advanced Manufacturing.
- Thesis on "Innovations in Sustainable Engineering Practices".

### Taxation and Tax Administration Sep 2015 - June 2019

Fergana Tax College

- Corporate Taxation: Study of tax regulations affecting corporations, including corporate income tax.
- 

## ADDITIONAL INFORMATION
