PROFILE

Certified Crane Operator with experience handling mobile cranes up to 150 tons across residential and commercial sites. Skilled in heavy lifts, safety inspections, and routine maintenance. Completed hands-on training at Autokast LTD with exposure to industrial crane systems. Known for teamwork, safety compliance, and precise coordination with riggers and signalmen. Seeking to contribute technical expertise to a dynamic construction or industrial team.

WORK EXPERIENCE

CRANE OPERATOR

S&S Crane Service, Kottayam, Kerala, India
2023 – 2024

- Operated mobile cranes (up to 150-ton capacity) for a variety of heavy lifting tasks on residential and commercial construction sites
- Executed safe and efficient lifting, positioning, and placement of large machinery, structural materials, and equipment
- Performed thorough pre-operation inspections and functional tests to ensure optimal crane performance and safety compliance
- Conducted routine maintenance and minor repairs, reducing equipment downtime and extending machine lifespan
- Collaborated closely with riggers, signalmen, and site supervisors to ensure precise, hazard-free lifts in accordance with site plans and safety regulations
- Maintained accurate lift logs and safety documentation in alignment with company and industry standards

Intern – Autokast LTD

Crane Operations Department

- Gained hands-on experience in basic crane operations and industrial safety protocols
- Assisted in the day-to-day operations under the supervision of experienced crane operators
- Developed understanding of mechanical components and safety compliance in manufacturing environments
