PROFESSIONAL EXPERIENCE

WALDORF ASTORIA (CLUB HIGH MORE), BOUNCER

December 2023 – present | DOHA, QATAR

Security Enforcement: My foremost responsibility is to enforce the club's security policies. This involves checking IDs to ensure patrons are of legal age and maintaining order within the venue. I'm trained to handle confrontations calmly and swiftly, diffusing any potential conflicts before they escalate.

Crowd Management: Clubs can get crowded and rowdy, especially during peak hours or special events. I'm tasked with managing the crowd flow, ensuring that everyone can move around safely and comfortably. This includes monitoring entrances and exits to prevent overcrowding and maintain fire safety regulations.

Risk Assessment: Part of my job is to assess potential risks and threats to the safety of patrons and staff. This could range from identifying individuals who may be overly intoxicated or aggressive to spotting suspicious behavior that could indicate illicit activities. By staying vigilant, I help prevent incidents before they occur.

First Responder: In emergencies, I'm often the first responder on the scene. Whether it's breaking up a fight, administering first aid, or evacuating the premises during a crisis, I'm trained to act quickly and decisively to protect lives and property.

Customer Service: Despite the tough exterior, I also play a role in customer service. I greet patrons as they enter, answer questions about club policies, and provide assistance when needed. By being approachable and helpful, I contribute to creating a welcoming atmosphere for everyone.

MSC OPERA OF THE SEA CRUISELINER, PORT TUNNEL SUPERVISOR (FIFA WORLD CUP 2022)

September 2022 – December 2022 | DOHA, QATAR

Team Leadership: I lead a team of security personnel stationed at the port tunnel, providing clear instructions and guidance to ensure efficient operations. I assign tasks, conduct briefings, and oversee the execution of security protocols.

Security Protocol Adherence: I ensure that all security procedures and protocols are strictly followed during the embarkation and disembarkation processes. This includes screening passengers and their belongings for prohibited items, verifying identification documents, and monitoring for any suspicious behavior.

Emergency Preparedness: I am responsible for ensuring that my team is well-trained and prepared to respond effectively to any emergency situations that may arise in the port tunnel area. This includes coordinating with other departments and authorities to implement emergency procedures and evacuation plans if necessary.

WATHAN MALL MUAITHER, CCTV ROOM OPERATOR

September 2021 – November 2023 | DOHA, Qatar

Monitoring Surveillance Systems: My primary duty is to monitor all CCTV cameras installed throughout the Malrite premises. This includes observing live feeds as well as reviewing recorded footage to detect any suspicious activities or security breaches.

Maintaining Vigilance: I must remain alert and vigilant at all times, scanning multiple screens simultaneously to identify any potential security threats or unauthorized access.

SKILLS

SKILLS

Surveillance: I possess extensive knowledge and hands-on experience in operating CCTV systems effectively to monitor and assess security threats in real-time.

Conflict Resolution: With my background as a bouncer, I've honed the skill of diffusing tense situations and resolving conflicts calmly and efficiently, ensuring the safety of individuals and property.

Vigilance: I am highly alert and observant, constantly scanning my surroundings for any signs of suspicious activity or potential security breaches.

Physical Fitness: As a bouncer, physical strength and fitness are paramount. I maintain a high level of physical fitness to effectively handle any security-related tasks that may require physical intervention.

Communication: Effective communication is key in my line of work. I am adept at communicating with colleagues, clients, and patrons to convey security protocols, report incidents, and coordinate responses to emergencies.

Emergency Response: I am trained to react swiftly and appropriately in emergency situations, including medical emergencies, fires, or security breaches, to minimize risk and ensure the safety of everyone involved.

Attention to Detail: I pay meticulous attention to detail, ensuring that all security protocols are followed rigorously and any potential security vulnerabilities are addressed promptly.

Customer Service: In my role as a bouncer, I've learned the importance of providing excellent customer service while maintaining security standards, ensuring that patrons feel safe and welcome at all times.

Legal Knowledge: I have a solid understanding of relevant laws and regulations pertaining to security operations, ensuring that all actions taken are within legal boundaries.

Teamwork: I excel in working collaboratively with other security professionals, law enforcement personnel, and venue staff to maintain a secure and safe environment for all.

Responding to Security Incidents: In the event of a security breach or emergency situation, I am responsible for taking immediate action. This may involve alerting security personnel, contacting law enforcement, or implementing emergency protocols as per the Malrite's standard operating procedures.

Coordinating with Security Team: Effective communication with the on-site security team is essential. I provide real-time updates on any security incidents or suspicious activities, ensuring a coordinated response to maintain the safety and security of the premises.

Recording and Reporting: Detailed documentation is crucial in security operations. I maintain accurate records of all incidents, including timestamps, descriptions, and any actions taken. These reports are essential for post-incident analysis and may also be used for legal or regulatory purposes.

Performing System Checks and Maintenance: Regular checks of CCTV equipment and surveillance systems are necessary to ensure they are functioning correctly. If any issues are identified, I promptly report them to the appropriate personnel for maintenance or repairs.

CITY TASK FORCE SECURITY, SECURITY GUARD

January 2020 – August 2021 | DOHA, Qatar

Patrolling: I conduct regular patrols within the premises to ensure everything is in order and to deter any potential security breaches. These patrols help me to detect and address any suspicious activities promptly.

Monitoring Surveillance Systems: I keep a close eye on surveillance cameras, alarms, and other security systems to promptly respond to any unauthorized access or unusual activities.

Access Control: I regulate entry and exit points, verifying the identity of individuals and ensuring that only authorized personnel have access to restricted areas. This helps prevent unauthorized access and protects sensitive information or valuable assets.

Emergency Response: In case of emergencies such as fire outbreaks, medical emergencies, or security threats, I take immediate action to mitigate risks, evacuate people safely if necessary, and alert the appropriate authorities.

Customer Service: While enforcing security measures, I also maintain a friendly and approachable demeanor to assist visitors, answer their queries, and provide directions when needed. This enhances the overall experience of individuals within the premises.

Report Writing: I meticulously document any incidents, security breaches, or irregularities that occur during my shift. These reports provide a detailed record of events and serve as valuable insights for improving security protocols.

Conflict Resolution: In situations where conflicts arise, I intervene calmly and diffuse tensions using effective communication and conflict resolution techniques. This helps maintain a peaceful environment and prevents escalations.

Risk Assessment: I continuously assess potential security risks and vulnerabilities within the premises, recommending and implementing appropriate security measures to mitigate these risks effectively.
